LEGEND

1901,Espresso coffee machine come into being.

1909,Pump pressure extraction technology implanted successfully.

1938,Horizontal boiler replaces vertical boiler.

1961, Thermal cycle pre-infusing E61 come into being.

1962,The application of electronic control parts has been popularized rapidly.

The inheritance of classics promotes the development of the times.

Each optimization is designed to make your product gorgeous and impressive.

Description: Legend Semi-automatic coffee machine
Color: White/Black/Custom
Voltage: 220-240V/50Hz-60Hz
Power: 2400W
Boiler Capacity: 6.6L
Boiler Material: Lead-free Copper

Coffee Output: 110Cups/Hour
Body Material: 304 stainless steel+Aviation aluminum spraying process
Net Weight: 50kg
Gross Weight: 63kg
Size: 456*517*529(H)mm

LEGEND NEW UPGRADE

Each optimization of blessing is to make your product gorgeous and not vulgar.

E61 Electronic Control Brewing Head
Italian Imported Revisit Classic

Real-time countdown display
Simple and intuitive extraction timing function design

Copper Single Boiler
Energy Efficiency, Flexible sustainment to make sure extraction temperature stable.

110Cups/H
high efficiency Continuous Output

Microcomputer Monitoring And Control
Monitor water level and temperature in real time, effectively prevent the heating system from dry burning.

Commercial Coffee Pressure Switch
Safe and reliable, stable temperature, efficient production.

High Precision Dual Pressure Gauge
Independent display of water pressure and air pressure.

Pre-infusion Function
Reduce channel effect and increase extraction rate, make each cup of coffee strong and mellow.

IT IS ALL FOR YOU!

Each optimization is designed to make your product gorgeous and impressive.

ENERGY SAVING

COPPER BOILER IT CAN EFFECTIVELY IMPROVE THE HEAT EXCHANGE EFFICIENCY OF THE BOILER AND ENSURE THE TEMPERATURE STABILITY OF CONTINUOUS EXTRACTION.

I AM
LEGEND

Provide continuous and constant extraction water pressure, pump pressure adjustable.

ROTARY PUMP

Commercial Grade Rotary Pump

CONSTANT EXTRACTION PRESSURE AND ADJUSTABLE PUMP PRESSURE

PRESSURE GAUGE

High Precision Dual Pressure Gauge

High Precision Dual Pressure Gauge, Independent display of water pressure and air pressure.

MICRO CONTROL

PROFESSIONAL MICROCOMPUTER CONTROL

MICRO CONTROL

INTELLIGENT
ANTI-DRY BURN

INTELLIGENT CONTROL

ONE-KEY TO TURN ON, AUTOMATIC WATER REPLENISHMENT, AUTOMATIC HEATING, QUICK INTELLIGENT.

TIMING FUNCTION

SIMPLE AND INTUITIVE EXTRACTION TIMING FUNCTION DESIGN

FOR EXTRACT EACH CUP OF MELLOW COFFEE, TIMING FOR REFERENCE.

CORE ACCESSORIES

Core accessories imported original, international brand first-class quality.

STRONG STEAM

PULL LEVER STEAM VALVE

ERGONOMIC DESIGN PULL LEVER, DUAL STEAM WAND, OMNIDIRECTIONAL
MULTIDIRECTIONAL STEAM NOZZLE, QUICK AND EASY WAY TO MAKE DENSE
MILK FOAM.

CONCISE PANEL

SIMPLE AND INTUTIVE CONTROL PANEL

ROTATABLE STEAM WAND

Fours Holes Steam Pipes, All Direction Steam Nozzle.
Strong Steam, Dense Milk Foaming.

E61 BREWING HEAD

Italy imported original brewing head with pre-infusion function, effectively improving extraction stability.

The commercial-grade pre-infusion function enables the coffee powder to be fully infusion and the hydrophobic gas drained, so that the water powder can be fully mixed and extracted in the subsequent brewing process. After a few seconds of water in, the coffee powder can be fermented in a vacuum environment for a period of standing time, giving rise to a more fragrant aroma and good taste.

RICH IN CREAMA

Easy Extraction, Taste the Fragrance.

9 Bar high-pressure extraction coffee, always maintaining the speed, precise refining, so that each cup of coffee is rich in crema and flavor.

INNOVATION APPEARANCE

Gorgeous Appearance Design

The appearance adopted aviation aluminum material spraying technology and combined with dark gold stainless steel design, with cool LED lighting mirror effect, which is perfect combine the art and technology.

CERTIFICATION

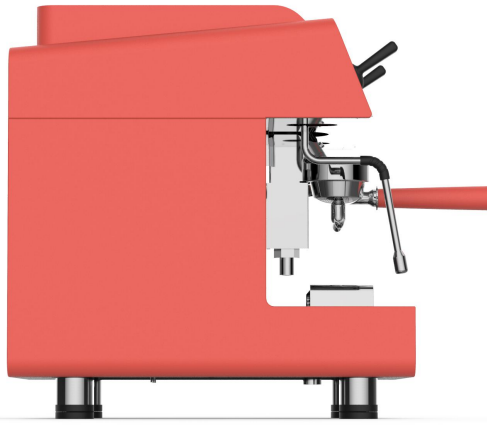

THE AUTHORITY TESTS WITNESS STRENGTH.

CERTIFICATION

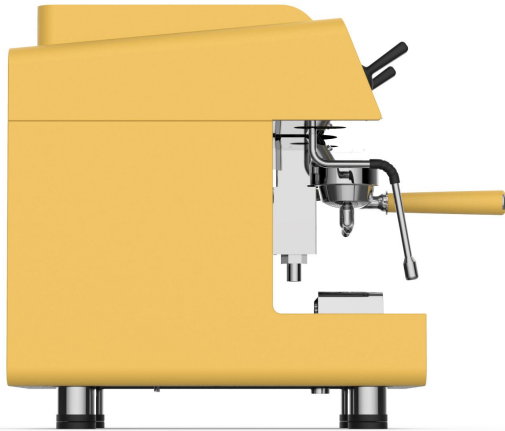

Multiple international and domestic safety certifications.
